

## Fluorescent Makeup And Structural Hair At VPL Fall 2011

**Intra**ceuticals**** Oxygen Infusion treatments. Pre-show, skincare guru Eileen Harcourt treated models to facials backstage using the Clarisonic Gentle Cleansing brush partnered with Oxygen Infusion treatments. The airbrush system instantly brought models' faces to life and gave skin that glow that the VPL girls are famous for. V. Bartlett: bringing backstage pampering to a whole new (and want-it-now) level.
