

The Spa at The Darling

A new level of pampering, the 16 room Spa at The Darling plays host to an international selection of stellar treatments and products.

Located in The Star's new five-star boutique lifestyle hotel, The Darling, The Spa at The Darling sprawls its sleek corridors, calming treatment rooms and sensory hamam over the entire second level with Spa Manager Jenna Corey the master of this labyrinth-like environment.

A devoted inner city escape, The Spa features an extensive menu of Asian, European and indigenous inspired treatments combining Eastern and Western techniques...

"Every effort will be made to focus on our guest's wellbeing and appearance via the mind, body and spirit." says Drew Schlesinger, Hotel General Manager. "While the skin care products and treatments take care of everything on the outside, our care and attention will mean they will feel rejuvenated on the inside as well."...

There is no client left unsatisfied with a menu that offers up treatments for men, women, couples, small groups and expectant mothers and products that reach all ends of the spa spectrum, including [Intraceuticals](#)...

A spa transporting mind, body and spirit, the corridors of The Spa at The Darling offer up secrets for the most discerning guest.
