

Beauty gods descend on Georgetown's Nectar Skin Bar

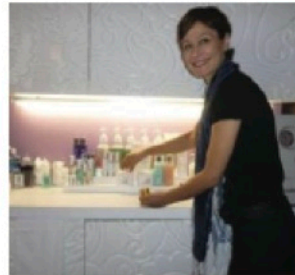

Ten minutes after opening Saturday, long-time customers of Brian Thomas' other business, IPSA for Hair, were in...

Brian's wife Amy, the Director of Protocol for the Ambassador of United Arab Emirates, helped create a wish list based on her world travels: top brands typically only available in major markets like Los Angeles, New York, Paris, London and Tokyo...

And please add a results-focused spa experience with highly-trained, knowledgeable staff, cutting edge technology, a convenient location and valet parking... Upstairs are two treatment rooms under the expert care of esthetician, Catherine Layrle (Nathalie Jacoby's LashDip guru). Spa procedures include [Intraceuticals](#) Oxygen Infusion facials...
